This, my **friends**, is a birthday party. Just **look**. I **see** a real laundry job ahead.

Fruit stains, mustard, grass stains, and plenty of plain dirt. But I **know** a **wonderful** new way to get this birthday party wash bleached white. It 's a new idea, a new detergent that I think you 'll be interested in. And this is it. New Oxidol. Now watch. I pour just a cupful in my machine. And presto, here 's my wash. Beautifully clean and white. Bleach white. Because this new Oxidol actually contains its **own** bleach. It 's the only well-known one that has its **own** bleach **right** in it. And like it says on the package, it 's color-safe oxygen bleach. Just think, it washes and bleaches all by itself. That 's why this new Oxidol really helps remove stains as no **other** suds can. Your wash **comes** out clean and white. Bleach white. And your washable **colors** are so bright and lovely. So it 's **easy** to **see** that this new Oxidol is not just for birthday washes. It 's **made** for every wash. All of mine and all of yours.

Look real, didn't it? It should. This toy tanker made of durable styrene plastic is a 27-inch authentic scale model of a modern Texaco tanker. It 's electric-powered for use in the water. Batteries are included. These semi-concealed wheels make it usable on land. How can you get one? Easy. We 'd like you to try Texaco climate control gasoline, and that 's why Texaco dealers offer this tanker for only \$3.98 when you **buy** eight gallons of either Sky Chief Supreme, Texaco 's premium gasoline, or Fire Chief, Texaco 's regular gasoline. If your dealer doesn't have it in stock, he 'll gladly give you a free mail-away coupon, and your tanker will be mailed to you \$3.98 postpaid.
